Hello March! March is here, and spring has officially sprung at Mrs. Potts Tea Party!

There's something so sweet about this time of year — blooming flowers, sunshine on the Terrace, and a fresh season of celebrations just waiting to unfold. We are especially excited for our upcoming **Spring Fling**, a joyful gathering filled with Princesses, Fairies, laughter, delightful treats, and magical moments you won't want to miss. And as our calendar begins to blossom with birthday parties, themed teas, and special events, we can't wait to welcome you through our gates and celebrate all the beauty this season brings!

February was simply magical at Mrs. Potts Tea Party! ❤️ ✨

From sweet Valentine celebrations to laughter-filled gatherings, our charming venue was filled with joy all month long. Families joined us for special themed events, little ones met beloved characters, and our Teacup Terrace came alive with music, dancing, crafts, and unforgettable photo moments.

Our Valentine festivities were especially heartwarming — with seashell decorating, story time, singing, and so many smiling faces. It was a beautiful reminder of why we love what we do. ❤️

In between special events, we continued serving delightful teas, fresh treats, and hosting private parties where memories were made around every table. Seeing new friends and returning ones walking through our doors always makes February feel extra cozy and bright.

Thank you to everyone who spent part of your month with us. Your support, laughter, and kind words mean the world to us. We're already looking forward to all the springtime magic ahead! 🌸 ✨

What's Brewing Next at Mrs. Potts Tea Party?

Someone recently asked, "What makes Mrs. Potts Tea Party so unique?"

"Well...this is our 24th year creating magical memories right here in Mesa. Next year we'll be celebrating our 25th Anniversary — and we are brewing up some special surprises and promotions that are in the works!"

They continued to ask, “What truly sets you apart?”

✦ “We are a charming, stand-alone 1930’s home filled with warmth and character, surrounded by our beautiful outdoor Terrace, paver walkways, and hand-painted scenery — absolutely perfect for photo opportunities.”

✦ “We are a private venue, booked by reservation only. When you book your 2-hour party, the space is exclusively yours. No sharing rooms. No rushing. Just your celebration, your way.”

✦ “We customize your party to your liking. Whether you have a specific vision or just a spark of an idea, we love bringing your dreams to life and creating those core memories you’ll carry with you forever.”

✦ “Our cast is truly among the best at what they do. Each performer receives extensive training — not only in portraying a Princess, but also in serving as an English Maid helper. 99% of our cast has backgrounds in theatre, choir, and years of experience engaging with little ones. Several of our team members are going on their 7th year with us! We value our cast deeply and work hard to make Mrs. Potts a place they love just as much as our guests do.”

✦ “We don’t just host children’s parties — we also offer Adult Tea Parties and celebrations of all kinds. Birthdays, bridal showers, girls’ day out, special milestones... we love it all!”

✦ “We also host ticketed events and themed tea parties throughout the year because we want everyone to have a chance to join in on the fun.”

✦ “And yes... we always answer our phone. If we miss your call, it’s only because we are on the other line sharing all the magical details with another family. From your first call through the end of your party, we are here for you.”

✦ “Giving back matters to us. It’s not uncommon to see us out in the community just to hang out, sing a few songs, and take pictures. We love spreading joy wherever we go.”

For 24 years, families have trusted us with their most special celebrations — and that is something we never take lightly. We pour our hearts into every single event.

If you’re looking for something charming, personal, and unforgettable... we would be honored to celebrate with you.
